Summary

Experienced Frontend Developer with a proven track record of crafting visually appealing and responsive web interfaces. Proficient in HTML, CSS, and JavaScript, specializing in React.js. Adept at collaborating with cross-functional teams to deliver high-quality solutions. Passionate about staying current with industry trends and implementing best practices for optimal user experiences.

Experience

FRONTEND DEVELOPER SUPPORT | 09/2023 - Current
Frontend Simplified – Australia (REMOTE)
- Supported 1,000+ students using HTML, CSS, Flexbox, JavaScript, Typescript and React best practices.
- Utilized debugging best practices using Google Chrome inspect element tooling.
- Simplified difficult programming concepts including responsive website development, CSS layout, Promises and API request.

FREELANCE FRONTEND DEVELOPER | 06/2023 - Current
Self Employed - USA
- Developed web applications using HTML, CSS, and JavaScript.
- Debugged existing application functionality and identified areas of improvement.
- Analyzed requirements and designed database schemas for applications.
- Optimized code performance by identifying bottlenecks and reducing memory usage.
- Incorporated SEO, responsive design, multi-platform compatibility, and hosting support, ensuring the website's accessibility across various browsers and devices worldwide.
- Analyzed solutions and coding fixes for software problems.

FRONTEND DEVELOPER INTERNSHIP | 06/2023 - Current
Frontend Simplified - Australia (REMOTE)
- Handled API requests using Axios to dynamically fetch and display data from a cloud server. Presented the information through skeleton loading states, pagination, and dynamic routing.
- Implemented caching strategies, reducing server load and enhancing overall site performance.
- Collaborated on performance optimization initiatives, resulting in a 25% improvement in website loading times.

TEAM LEADER | 01/2021 - Current
Stellantis - Sterling Heights - MI, USA
- Developed strategies for problem solving and conflict resolution among team members.
- Conducted regular performance reviews to assess individual team members progress.
- Provided coaching and feedback on employee performance, encouraging professional development.
- Established clear expectations for employees, providing guidance when needed.

REALTOR | 04/2017 - Current
REMAX Eclipse, Sterling Heights - MI, USA
- Successfully closed 100+ residential property transactions, exceeding annual sales targets by 15%.

- Implemented strategic pricing strategies, resulting in a 12% increase in the average sale price of properties.
- Utilized digital marketing tools to generate leads, contributing to a 25% expansion of the client base.
- Managed the end-to-end transaction process, ensuring a 98% on-time closing rate.
